ABOUT US

At [Nonprofit New York](#), we champion and strengthen nonprofits through capacity building and advocacy to cultivate a unified, just, and powerful sector.

Engaging an average of 3,600 unique nonprofit organizations annually, Nonprofit New York has been building a powerful nonprofit community in New York for nearly four decades. We are driven by the belief that when one nonprofit is stronger, all of us are stronger.

Our nonprofit members gain access to an expansive portfolio of benefits, including 50+ trainings and innovative learning opportunities offered each year; cost-saving programs; an online hub of 500+ tools, templates, and relevant resources; a Nonprofit HelpLine; meaningful networking opportunities; and more.

Nonprofit New York also organizes to build solidarity across the New York nonprofit sector and mobilize the united voice of our members in pursuit of public policy changes that strengthen nonprofits' ability to pursue their missions.

ANNUAL MEETING OF MEMBERS

On May 22nd, Nonprofit New York will bring together 200+ nonprofit professionals at our 2024 Annual Meeting of Members.

This high visibility, in-person event provides an opportunity for our members to elect Nonprofit New York's Board of Directors and engage in a sector-wide discussion to inform and shape Nonprofit New York's program priorities.

Our Annual Meeting this year will feature a panel discussion to address some of the challenges impacting the broader nonprofit sector. More details about the panel and key influencers joining us to share their insight and expertise will be released soon.

Nonprofit New York's membership represents a diverse mix of nonprofit organizations with a range of budget sizes from NYC, Westchester, Long Island and beyond.
